Case No.: 2:19-cv-00217-JAD-NJK

Order

10 v.

11 PERFORMANCE FOOD GROUP, INC.
12 WELFARE PLAN,
Defendant(s).

13 On July 18, 2019, the Court set a schedule by which this case could be resolved through
14 the filing of dispositive cross-motions. Docket No. 16. Those deadlines were later vacated in light
15 of ongoing settlement discussions. Docket No. 20. On May 8, 2020, the settlement discussions
16 had run their course, so the Court returned the case back to the normal litigation track. Docket No.
17 27. The parties did not at that juncture request a new schedule for dispositive motions. Instead,
18 Plaintiff filed a motion for judicial notice. *See* Docket No. 28. That motion for judicial notice has
19 now been resolved. Docket No. 36.

20 The parties are hereby **ORDERED** to meet and confer, and to file a joint proposed schedule
21 to move this case forward to resolution. The joint proposed schedule must be filed by February
22 18, 2021.

23 IT IS SO ORDERED.

24 Dated: February 4, 2021
